MEMORANDUM FOR: Inspector General

FROM : Deputy Director of Central Intelligence

SUBJECT : Possible Misuse of U.S. Government Funds

1. I received the attached letter recently from a former Agency officer whom I know from Naval Intelligence. The letter basically deals with two subjects: a personnel issue, centering on his potential employment with this Agency, and the allusion that some \$250,000 of the U.S. Government's money was stolen [redacted] in the mid-1960s. The personnel issue has been effectively researched and resolved. A copy of my letter back to [redacted] is attached also for your information.

2. The issue of the reportedly stolen money remains, however. Please conduct an appropriate investigation of the activity cited by [redacted]. A member of my staff, [redacted] has discussed this project and the reported loss of the money with you informally over the past month or so. When your inspectors are ready to proceed, they should feel free to contact [redacted] -who will give them all of the information he has found on his own [redacted]
